In order to reach its ambitious climate goals, Switzerland intends to make use of cooperative approaches under Article 6 of the Paris Agreement. From 2021, the KliK Foundation will act as Switzerland's legally anchored instrument to procure a yet to be defined amount of Internationally Transferred Mitigation Outcomes (ITMOs).

Demand in 2021-2030 is around 5 Mt CO₂e per year

Procurement of ITMOs starts in 2019

All relevant information is published on our website

Project proposals by eligible parties can be submitted online

Host countries may contact us directly or via their respective Swiss Embassy
